GIVE BRIEF DESCRIPTION OF WHAT HAPPENED.

On Wednesday, June 19, 2013, members of the Metropolitan Police Department's Sixth District received a radio run for the report of a shooting at 4650 Hillside Road, Southeast. When officers arrived on scene they observed members of the District of Columbia Fire Department performing CPR on the decedent, Ernest Hart, who was suffering from an apparent stab wound to the left side of his neck. The decedent was transported to the Prince George's County Hospital where he was pronounced dead by Dr. Misra at 2158 hours. The decedent's remains were subsequently transported to the Chief Medical Examiner's Office for the State of Maryland pending an autopsy.

On Thursday, June 20, 2013, an autopsy was performed by Dr. Theodore King on the remains of the decedent. At the conclusion of the autopsy Dr. King ruled that the cause of death was from multiple sharp force injuries and the manner of death was ruled a homicide. According to the autopsy, the decedent suffered a stab wound to the neck and there were lacerations to the decedent's hands.

During the subsequent investigation into the murder of the decedent multiple witnesses were interviewed. A witness W-1 was located and interviewed. W-1 stated that IT observed Tone and the decedent in an argument. According to W-1, Tone was trying to keep his distance from the decedent, telling the decedent to back up. According to W-1, the decedent continued coming towards and arguing with Tone. Tone was told to "chill out." As an effort was made to pull Tone away, Tone resisted, pushing aside others and telling them to "Move," or words to that effect. W-1 stated that the decedent was also told to stop and an effort was made to separate the decedent away as well. W-1 stated that as Tone was being held back from the decedent, Tone stated, "Naw shorty, shit's about to get real," or words to that effect. W-1 stated that Tone with a closed left fist struck the right side of the decedent's neck. W-1 stated it did not see a knife in Tone's hand, but immediately saw blood gushing. The decedent began to stumble away until the decedent eventually collapsed. W-1 stated that IT did not see the decedent with any weapons.

2013 CPW 2020

W1 reported that IT has known "Tone" for approximately one year and has seen him several times a week in that one year. During the investigation, investigators learned that Antonio Shaw B/M, with a date of birth (DOB) of 9/23/1987, and police department identification (PDID) of 567680 went by the nickname of "Tone". W1 was then shown an arrest photograph of Antonio Shaw, PDID: 567-780 for confirmation and upon viewing the photograph of Antonio Shaw W1 confirmed that the person depicted is "Tone" and the person who killed the decedent.

Based on the facts set forth in this affidavit, your affiant believes probable cause exists and respectfully requests that a Judge with the District of Columbia Superior Court issue a warrant for the arrest of Antonio Shaw (DOB: 9/23/87 and PDID: 567680).
